

October 2022

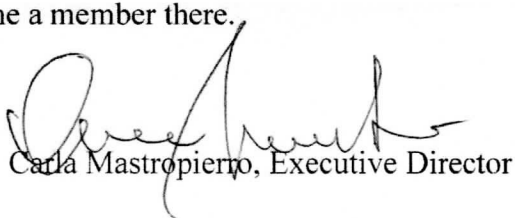

Dear Friends and Members:

Our 2023 membership drive has begun, and we are asking you to renew your membership or if you are not already a member, to become one. The Italian Educational and Cultural Center (IECC) at Casa Colombo has a long and celebrated history of achievement in promoting not only the culture of our Italian heritage but also the new and burgeoning Jersey City arts community. We hope you were able to participate in our Sunday Zoom events and virtual art exhibits over the past year. Despite the continued disruption of the pandemic, we endeavored to maintain our high standard of programming by bringing you a variety of programs and art exhibits.

Over the past year our monthly programs included 'Sfingi e Cavatelli' presented by Stephanie Rizzolo and an Italian Genealogy workshop presented by Randi Koenig. Significant art exhibits included works by Dino Galiano, Italafoto Archives F1 Legends, ProArts Curator's Choice, and art exhibits by Jim Fischer & Tharanga Goonetilleke. Our most recent history projects have been 'Memories of Italian Immigrants' and 'History Profiles of Prominent Italian Americans of Hudson County'. These and our past history projects can be viewed on our website.

We are resuming in person events and art exhibits and we are planning a rich and diversified Art and Cultural programming for 2023. We need your help to continue this effort. Please complete the membership form and return it to IECC/Casa Colombo in the envelope provided, c/o Rosemary Bergamo, membership chairperson, 380 Monmouth Street, Jersey City, NJ 07302, together with your membership contribution or go online to our website, CasaColombo.org and become a member there.
